COLLECTION SOMBRA SCON LAMP

Designed to look beautiful whether illuminated or unlit, the Sombra collection is a sculptural scon lamp hand made in a neo artesanal small scale way. Reflection of light between its circular front and back, creates a soft difumination of light.

CARE INSTRUCTIONS

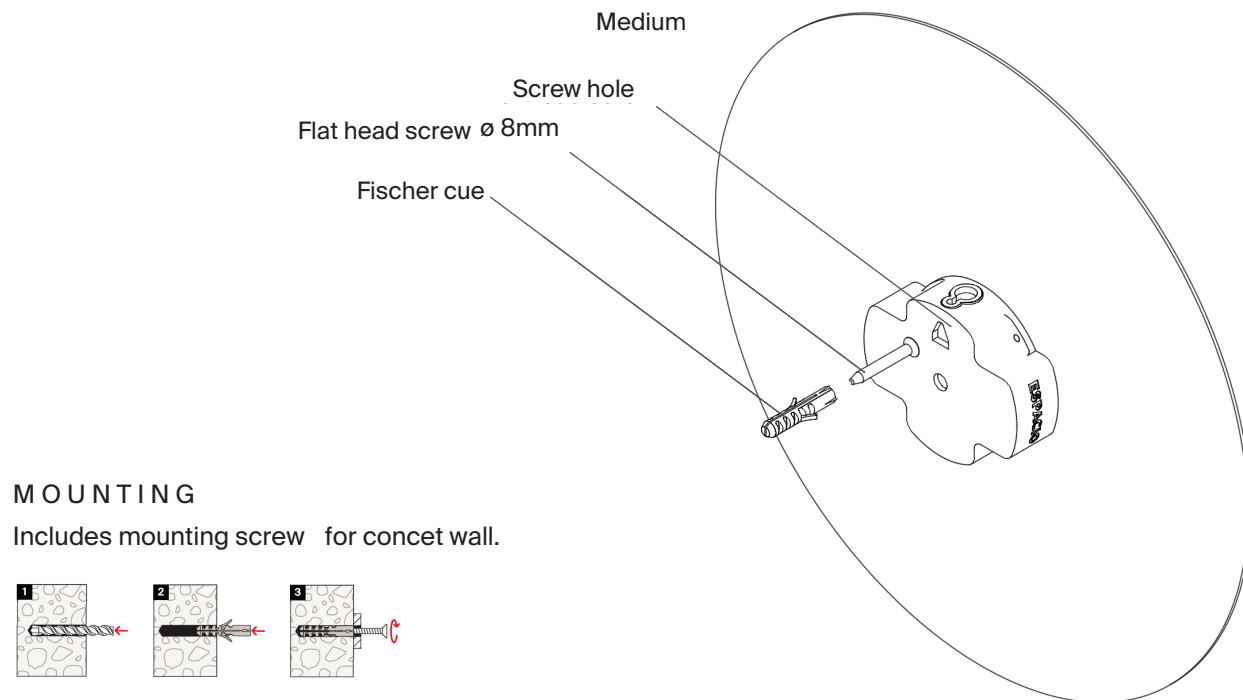

Before cleaning, ensure the piece is turned off and unplugged.
If wall-mounted, make sure it is secure.

Dust with a soft, dry cloth.
For marks, use a wood cleaner (such as Pronto / Blem).

Do not use alcohol-based products or glass cleaners, as they may damage the finish.

USE INSTRUCTIONS

Magic Home is a device designed to integrate your lamps with smart control systems, to manage from your smartphone.

1. Pair with the Magic Home App
 1. Download the Magic Home app from the App Store or Google Play.
 2. Create an account or log in.
 3. One option is to have your phone connected to a 2.4 GHz Wi-Fi network.
 4. Another option is to have Bluetooth turned on, this is the best option so that you will not need Wi-Fi.
 5. Connect the lamp to power (plug in the device).
 6. In the app:
 - Tap "Add Device."
 - Select "Dimmer Switch."
 - Follow the instructions to complete the connection.You can connect the device via Wi-Fi or Bluetooth.
 7. Give the device a name and add it to a room or group.

2. Restart

If the lamp is unplugged after being uploaded to the App, it may not be recognized again.

In this case, you must restart and recharge the device.

Procedure to restart the device:

- Plug and unplug the device 3 to 5 times quickly until the light flashes.
- Flashing indicates that the device is ready to install.
- Proceed to step 6.

3. Using the Device

- On/Off: From the switch in the App.
- Dimming: By sliding the control in the App or by long-pressing the physical button.
- Automations: Schedule schedules, scenes, or link with voice assistants such as Alexa or Google Assistant from the App.
